PREAMBLE

This Privacy Policy sets out the principles for the processing of personal data of the Users, and constitutes an appendix to the Regulations for the provision of electronic services of the www.naiadcoin.com website. All terms used in this Privacy Policy shall be interpreted in accordance with the provisions of the Regulations, unless a different meaning is explicitly indicated in the Privacy Policy.

This Privacy Policy is effective as of 9 December 2021.

I. GENERAL INFORMATION

Personal data shall be processed in accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation - hereinafter "GDPR"), the Personal Data Protection Act of 10 May 2018. (Journal of Laws 2018 item 1000) and the Act on the provision of electronic services of 18 July 2002. (Journal of Laws of 2017, item 1219, as amended).

The administrator of the Personal Data is:

NAIAD WATER INVESTMENTS Sp. z o.o. (LLC), with registered office at Senatorska 2, 00-075 Warsaw (Poland), KRS: 0000932931, NIP: 5252884521 (hereinafter referred to as "Administrator" or "Service Provider").

II. WHAT ARE THE PURPOSES OF THE PROCESSING OF PERSONAL DATA AND WHAT IS THE LEGAL BASIS FOR THE PROCESSING?

Personal data is being processed for the purposes of:

1. to receive the newsletter (legal basis: Article 6(1)(a) of the GDPR),
2. to perform a Contract or take action at the request of the data subject prior to entering into a Contract (Art. 6(1)(b) of the GDPR),
3. to handle claims and complaints (Article 6(1)(b) of the GDPR),
4. concluding and performing the Agreement, including performance of individual services (Article 6(1)(b) of the GDPR),
5. sending system messages or notifications to the User (Article 6(1)(f) of the GDPR),
6. compiling statistics on the User's activity on the Website (Article 6(1)(f) of the GDPR),
7. answering your questions (Article 6(1)(f) of the GDPR),
8. keep or archive records for the purpose of research, processing or settlement of claims (Article 6(1)(f) of the GDPR).

III. HOW DO WE OBTAIN PERSONAL DATA?

We collect personal data directly from the Users.

We may collect personal data indirectly only during Registration - if the Service User sends an invitation to a third party. In this case, the User provides the e-mail address of the person to whom the invitation is then sent. This person should confirm their willingness to register and complete their personal details.

IV. WHAT DATA DO WE PROCESS AND FOR HOW LONG?

If:

1. You are visiting the Website: IP address (for statistical purposes), cookies. We store data until the cookies expire.
2. you contact us via the contact form: the data and IP address you provide. We keep your data for 36 months or longer if this is necessary for the investigation, processing or defence against legal claims.
3. you make a claim or submit a complaint: data included. We keep the data for the period required by law for the investigation, processing or defence against legal claims. A complaint is processed within 14 days.
4. you subscribe to Paid Services: data necessary for the provision of the Service. If it is an access to the content, we do not process more data than related to the payment process. The payment service is provided by the payment provider. Card data is not processed by the Service Provider. In the case of stationary training services or other services provided outside the Website, we process the data necessary for the use of the Service. The data are processed for the duration of the Service and thereafter for the time necessary for the investigation, processing or defence against legal claims - including accounting, legal and IT services.
5. you receive the newsletter: an e-mail address. You can revoke your consent and unsubscribe from the newsletter by clicking the unsubscribe option directly in each email sent. If you unsubscribe, we will only process information about when you signed up for the newsletter and when you unsubscribed (in both cases your IP address will be stored). NOTE: Newsletters are not system messages sent by the Service Provider to inform you of alerts or other important notifications related to the User Service or Services.
6. you receive any system messages or notifications: username, e-mail address. If you delete your Account, no notifications and/or system messages will be sent. However, data will be processed for archiving purposes for a period of up to 36 months or longer (if necessary for the investigation, processing or defence against legal claims).
7. we maintain records or archives for the purpose of investigation, processing or settlement of claims: data necessary for the process. Deletion takes place at the end of the process.

If we state that we store data for a period required by law for the investigation, processing or defence of legal claims, we are referring to the period indicated by law as the required period.

V. WHAT NOTIFICATIONS AND SYSTEM MESSAGES DO WE SEND?

The Service may send you notifications (so-called web push notifications) provided you have given your browser permission to do so. In this case, you will receive notifications visible from your device.

The service can send notifications visible after logging in. The user can set the frequency of notifications. Messages can be sent once a day, once a week or can be turned off. By default, sending notifications is disabled and the user is prompted to select frequency settings.

The Service Provider may send system messages to the User's e-mail address. These messages are sent when necessary and concern messages related to the Website.

VII. TO WHOM DO WE SHARE PERSONAL DATA?

The recipients of the data are only authorised employees of the Service Provider or associates providing services related to customer service or IT support or accounting or legal services.

VII. OUR RIGHTS RELATED TO PERSONAL DATA PROTECTION

Each person to whom the personal data refers has the right to access, rectify, update, transfer, erase or restrict processing, the right to object, the right to withdraw consent at any time (whereby withdrawal of consent does not affect the legality of processing carried out on the basis of consent before its withdrawal), the right to lodge a complaint to the supervisory authority, i.e. the President of the Office for Personal Data Protection. In order to exercise your rights, please send a relevant request by e-mail to: contact@naiadcoin.com or by post to the Administrator's address. We shall consider your request immediately, however, no later than within 1 month from the date of receiving your request. However, if it is not possible to process the request within the period indicated, e.g. due to the complicated nature of the request or the number of requests, we reserve the right to extend the deadline for processing the request, but no longer than 2 months. We will inform you by e-mail of any need to extend the deadline for processing your request.

IX. COOKIE

Cookies are sent to web browsers and then stored in the device's memory and read by the server each time you connect to the website. Cookies do not contain any information allowing third parties to find out your personal data or to contact you by email or telephone, for example. Please be aware that storing cookies does not allow us or unauthorised persons to access your private device.

What types of cookies do we process?

1. Technical cookies

They allow the correct use of the message transmission and remember your settings once you have selected this option on the site and/or allow us to create simple statistics on the use of the Site. When collecting error information, we use cookies responsible for the login session and the language selected, including your e-mail address and username.

2. Google Analytics

Google Analytics is a web analytics tool from Google that helps website and application owners understand how users use their websites. The tool may use a set of cookies to collect information and generate reports with site usage statistics. The data collected does not identify individual users. The main type of cookie used by Google Analytics is "_ga".

In addition to reporting website usage statistics, the data collected by Google Analytics may also help, with some of the cookies described above, to display more relevant advertising on Google services (e.g. Google search) and across the web.

How do I disable cookies?

You decide on the processing of cookies via your browser settings. If you do not want cookies to be processed, you can deactivate them (select the corresponding privacy options in your browser for this purpose). You can delete cookies from your browser at any time.

Disabling cookies in your web browser may affect the way the content of the Website is displayed.

X. WHAT PERSONAL DATA IS TRANSFERRED OUTSIDE THE EUROPEAN ECONOMIC AREA?

Mailchimp cookies are sent to the United States of America (USA) and include: email address, IP address, date and time of each contact related to each opening and clicking of the email campaign from the newsletter. Both the Service Provider and The Rocket Science Group LLC have access to this data.

XI. HOW CAN YOU CONTACT US?

Any requests regarding how the data is processed should be sent to the following email address:
contact@naiadcoin.com.
